PRESS RELEASE

New York, New York, December 17, 2015

The Chinese Cultural Foundation proudly announced its Annual Holiday Reception and Award Celebration at the Harvard Club in New York City on Wednesday December 17, 2015 from 6:30 to 8:30pm.

This year, we are honoring three distinguished friends of the Chinese Cultural Foundation: **Yue-Sai Kan**, a household name in China, is an Emmy-winning television producer, entrepreneur, fashion icon, bestselling author and humanitarian. Time magazine proclaimed her “the Queen of the Middle Kingdom.” **Harry Edelson**, Chairman of the China Investment Group, legendary global venture capitalist and author of the hot-off-the-press, “Positivity: How To Be Healthier, Happier, Smarter and More Prosperous”, now being featured at Barnes & Noble on Fifth Avenue and **Daxi Li**, Founder and Chairman of the Chinese Association for Science and Business (“CASB”), President of Columbia International College and co-founder and Vice Chairman of the Shenzhen Overseas Chinese Student Venture Park, birthplace of over 800 high-tech startup companies.

As so elegantly expressed by our Honorary Chairman, **Maurice R. Greenberg** and by former President of the World Bank **Sir James D. Wolfensohn** at the 10th Anniversary Gala of the Chinese Cultural

Foundation: *"In our very small world, it is culture in all forms that unites us. Art, music, dance, literature -- are the elements that transcend our daily lives and make us realize that we are all part of a single global community, and that beauty has no national boundaries."*

Mr. John W. Allen, Trustee of the Chinese Cultural Foundation and **Ms. Elizabeth B. Wang**, President of the Chinese Cultural Foundation will co-host the event and present the Awards.

Congratulatory Remarks from New York State **Governor Andrew Cuomo**, **Mayor Blasio** and Chinese **Ambassador Zhang Qiyue** are also expected, expressing their congratulations to the Chinese Cultural Foundation for its important role in helping make New York City the *"Cultural Capital of the World"*.

There will be a video documentary biography show of *Yue-Sai Kan: "A Woman for All Seasons"* and a display of high quality replicates of ancient Chinese paintings from Beijing Palace Museum.

The Harvard Club is particularly beautiful at this time of year so allow time to look at the tree and decorations in the main hall. There will be plenty of good spirits and h'orderves to help everyone celebrate a joyous season and a healthy and prosperous New Year!
